The Great Puzzle Game
Fun for Everybody

Puzzle-Peg. Played by one it makes fun for all. Size, 6 1/4 x 6 1/2 inches. Each \$0.50

Blox-O. A wonderful game for two players. No matter how clever, they cannot exhaust its possibilities, because moves must be planned ahead. Size, 6 1/4 x 6 1/2 inches. Each \$0.50

No. 1413. This set consists of 18 different Rubber Stamps mounted on wooden blocks, size 2 1/2 x 1 1/2 inches. The tops are lithographed, showing Animals, Birds, Trees, Flowers, etc., with the name of each character spelled out both in Plain and Script Letters; the bottoms of the blocks contain rubber dies in outline, corresponding to the characters on the tops of the blocks, with which the child can print the same. Four different colors of Crayons, Ink Pad and a Paper Pad are supplied with each set. With this set the child prints the outline of each character, at the same time printing the name of the same in both Roman and Script Letters, then colors the impression with the crayons in tints true to nature. Each set up in a neat cardboard box with label in four colors. Packed one-half dozen in carton. Size of box 11 1/4 x 12 1/2 inches. Each.....\$2.00

ARTASCOPE

To a child this wonderful toy seems nothing short of a magic eye that looks right into fairyland. Through the Artascope's wizard lens, the most common-places odds-and-ends . . . a leaf, a flower petal, a bead, a bit of bright silk, a scrap of colored paper . . . become gloriously fantastic designs, glowing with color.

The Artascope is 9 1/2 inches high. Each instrument is securely packed in a beautifully lithographed carton.

Each.....\$2.00
