Christmas*

An Outstanding Sensation in HOME CINEMAS

All-Mains precision built
9.5 mm. Projector
giving brilliant
perfect pictures

Only **27'6**
MAINS MODEL C4

Stage thrilling Movie Shows this Christmas with the new All-Mains Bingoscope. This beautifully-made, reliable Machine has all the essential features of projectors costing many pounds. Yet it is offered at an unheard of price—27'6, including resistance. Easy to run, giving brilliantly clear, flickerless movies, it's the one Xmas gift of which boys and girls never tire.

Invite the Stars to your Xmas Parties!

A Bingoscope is the most popular "entertainer" for parties. Absolutely safe, because films are non-inflammable. Finest quality focussing lenses giving brilliant pictures of remarkable clarity.
