

Amusing to Children Interesting to Adults Teaches Everyone

Though strictly unpretentious, the "PATHEOROMA" has already been round the World. You will find it in the hands of everyone. Its simplicity has caused it to be the best friend of childhood and the perfection of its pictures has gleaned the suffrage of all connoisseurs. The "PATHEORAMA" happily combined with our "COCORICO", ensures the ideal of projection and further, the best possible luminous output (projection 1" x 0"80).

The fact of owning a "COCORICO" reflects the rejoicings of all the family, and everyone possessing this apparatus may create a small theatre with an unlimited attendance and at the smallest cost.

Our production in touring colored films which is the result of hard and patient researches amongst which you will find "*Paris*", "*Versailles*", "*Egypt*", "*India*", etc., will take you round the World, at the same time teaching you about all its marvels.

Our film collection, which numbers up to 190, shows a real encyclopedia which should be kept up, as, for the enjoyment of all, it is well worth being often consulted.

The "PATHEORAMA" together with its projecting apparatus "COCORICO" should be found in every home.
